About this guide
The purpose of this Joint Financial Services Guide (Joint FSG) is to provide information about our services, how we and our representatives are paid, your rights as a client, and our complaints system.

It will also help you decide whether to use our services and clarify the roles of the Trustee and Link Advice in providing you with services and advice about MTAA Super.

If you need more information or help understanding anything in this document, call us on 1300 362 415.

Product Disclosure Statements
This Joint FSG should be read in conjunction with the MTAA Super Product Disclosure Statement (PDS).

The PDS sets out the main features of MTAA Super, including the costs and the risks associated with investing in MTAA Super. You can obtain a copy of the PDS by calling 1300 362 415 or at mtaasuper.com.au

If you receive advice that relates to purchasing a financial product other than MTAA Super, you should read the PDS relating to that product before deciding to purchase it.

What do I get when I receive personal financial advice?
If you get personal advice, you will be given a Statement of Advice (SOA). An SOA is a record of the personal advice provided to you and the basis for that advice. It contains information about any fees that may apply. It also details any associations your adviser may have that might have influenced the advice.

If we provide you with advice where an SOA is not required, we will provide you with a Record of Advice (ROA). You can also ask for a copy of the SOA or ROA at any time.

Who is the Trustee?
Motor Trades Association of Australia Superannuation Fund Pty. Limited ABN 14 008 650 628, AFSL 238 718 (the Trustee) is the corporate trustee of MTAA Super. As Trustee, it is responsible for the management and operation of MTAA Super.

Things you should know before you seek advice

What financial advice services can be provided to me?

MTAA Super members have access to three types of financial advice services:

**General advice**

This type of advice is of a general nature and will not take into account your personal objectives, financial circumstances, or needs. It is intended to help you make an informed decision about your financial affairs.

**Personal advice**

Personal advice is suitable for simple queries about your super and is limited to a single topic per enquiry. It includes queries about investment options, contributions, consolidation, retirement options, and insurance arrangements within your MTAA Super account.

**Comprehensive advice**

With comprehensive advice, you work with a financial planner to develop a full financial plan.

* Comprehensive advice is provided to MTAA Super members by Industry Fund Services Limited (IFS) (ABN 54 007 016 195 AFSL 232 514). IFS is responsible for any advice given to you by its representatives. Details about this service (including cost of advice) are set out in a separate Financial Services Guide available from IFS. For a copy, call 1300 138 848.
