## Protecting what matters most

Nobody plans to get sick or injured. But if you're unable to work for a long period or worse still, indefinitely, it's important that you and your family are protected. We offer a range of insurance products designed to help you get through the tough times.

### We'll look after you

As a member of MTAA Super, you have access to three types of cover:

- **Death Cover:** If you die, death cover provides a lump-sum benefit
- **Total and Permanent Disability (TPD) Cover:** TPD Cover provides a lump-sum benefit if you become totally and permanently disabled
- **Income Protection:** You'll get paid a benefit (usually monthly) if you're unable to work because of illness or injury.

If you are diagnosed with a terminal condition you may be paid the higher of any Death or TPD cover in place at the date of diagnosis.

### We've got you covered

As a member, we'll automatically provide you with Death and TPD cover – which is determined by your age when you join. To be eligible for automatic default cover you must be aged between 25 and 69 and have at least \$6,000 in your account. If you join under age 25, your default insurance cover will only commence when you reach age 25 and you have at least \$6,000 in your account. You may be able to start your default cover earlier by choosing to opt-in to default cover. Conditions apply and are detailed in the Insurance Guide.

Your amount of cover will also change as you age (see table below).

You can opt out of default insurance cover within 30 days of the date you receive your notification that your default cover has commenced.

#### Default cover

Your age next birthday	Death Units – General Scale	TPD Units – General Scale	Cost of Cover (per week)
16–21	1 unit	3 units	\$2.39
22–26	3 units	3 units	\$3.87
27–55	6 units	3 units	\$9.06
56–70	6 units	3 units	\$7.47

As your default number of units depends on your age, it is important that we have your correct date of birth recorded. You can refer to your Annual Statement or call us on **1300 362 415** if you wish to check that we have your correct details. Any correction to your date of birth will apply from the date you joined the Fund. Where that results in a change to your level of cover there will also need to be an adjustment (positive or negative) to your insurance fee. In that case we will contact you to discuss how any adjustment will be implemented.

MTAA Super, like other super funds is able to claim a 15% tax deduction for the cost of insurance premiums incurred by members. It will be directly passed back to insured members' accounts resulting in a lower net insurance fee.

- **General:** For everyone, but is generally used by members who work in a trade environment
- **Non-manual:** For those who work in an office environment
- **Professional:** For white-collar professionals who don't undertake manual work (some conditions apply).

## Flexibility to vary your insurance cover

With MTAA Super you can vary your insurance cover at any time. Your options include:

- **Increasing your cover: without providing health evidence**

- **When your automatic default cover starts**

When your automatic default cover starts, you may be eligible to increase your Death and TPD cover without the need to provide health or financial evidence. Terms and conditions apply.\*

\* See the *Insurance Guide* for more information about changing your cover

- **When your life changes**

Your insurance needs change with your circumstances, whether you're getting married, having children, or taking on a mortgage. We've made sure increasing your cover is easy in the case of a 'Life Event'\*. You'll just need to provide us with proof of the Life Event (under the *Life Events Cover Form*) within 60 days of the event to increase your Death or TPD cover by up to the equivalent of three units of Death or TPD cover at the general scale.

\* See the *Insurance Guide* for more information about Life Events.

- **Increasing your cover: at any time**

You can apply for additional cover (up to our maximum cover) at any time. See the *Insurance Guide* for more information. You can also visit our website at [mtaasuper.com.au/insurance-online](https://mtaasuper.com.au/insurance-online) to complete an online application.

## Maximum Insurance cover

The maximum total amount of cover you can apply for is:

- \$5,000,000 of Death cover
- \$3,000,000 of Total and Permanent Disability cover
- \$25,000 of monthly Income Protection cover.

## Unitised vs. Fixed – what's the difference?

You can choose to have your Death or TPD cover as either unitised or fixed. Unitised cover means the level of cover varies according to your age, but the cost for each unit remains the same. Fixed cover means your chosen level of cover will remain the same each year, but the cost of cover will vary according to your age.

For more information, read the MTAA Super *Insurance Guide*.

The table on the next page shows the amount of insurance cover provided by (1) unit of cover based on your age and your work scale.

## Income Protection

While most people insure their homes, cars and other valuables, many don't think to insure their income. But if an injury or illness prevents you from working temporarily, Income Protection insurance can assist you with the finances you need to help get you through.

You must meet certain eligibility criteria and there are limits to how much cover you can take. For more details, see the MTAA Super *Product Disclosure Statement* and *Insurance Guide*.

### You can always change your cover

You can apply to increase, decrease, or cancel your cover at any time. For more details, see the MTAA Super *Insurance Guide*.

### Transferring your cover

Want to join us without losing your existing levels of insurance cover in another super fund? We may be able to offer you insurance on the terms of your existing cover.

This means you might be able to combine your super accounts without having to pay additional fees for keeping your insurance open in another fund. Before we can do this, you'll need to satisfy a few conditions – these are outlined in the MTAA Super *Insurance Guide*.

When you apply to transfer your insurance cover to MTAA Super, you acknowledge that the information provided by you to your previous Insurer was accurate and complete.

**IMPORTANT NOTE:** If your account becomes inactive (no contributions or rollovers into the account for 16 months) we may be required by law to cancel your insurance cover. See *Insurance Guide* for more information.
