# Direct Debit Request Service Agreement

This service agreement is a National Australia Bank requirement relating to the debiting of your bank account for superannuation contributions.

## 1.0 Debiting your account

- 1.1 By signing a direct debit request, you have authorised us to arrange for funds to be debited from your account. You should refer to the direct debit request and this agreement for the terms of the arrangement between us and you.
- 1.2 We will only arrange for funds to be debited from your account as authorised in the direct debit request.
- 1.3 If the debit day falls on a day that is not a business day, we may direct your financial institution to debit your account on the following business day. If you are unsure about which day your account has been or will be debited, you should ask your financial institution.

## 2.0 Changes by us

- 2.1 We may vary any details of this agreement or a direct debit request at any time by giving you at least fourteen (14) days' written notice.

## 3.0 Changes by you

- 3.1 Subject to 3.2 and 3.3, you may change the arrangements under a direct debit request by contacting us on **1300 362 415**.
- 3.2 If you wish to stop or defer a debit payment you must notify us in writing at least fourteen (14) days before the next debit day. This notice should be given to us in the first instance.
- 3.3 You may also cancel your authority for us to debit your account at any time by giving us fourteen (14) days' notice in writing before the next debit day. This notice should be given to us in the first instance.

## 4.0 Your obligations

- 4.1 It is your responsibility to ensure that there are sufficient clear funds available in your account to allow a debit payment to be made in accordance with the direct debit request.
- 4.2 If there are insufficient clear funds in your account to meet a debit payment you:
  - (a) might be charged a fee and/or interest by your financial institution
  - (b) might incur fees or charges imposed or incurred by us
  - (c) must arrange for the debit payment to be made by another method or arrange for sufficient clear funds to be in your account by an agreed time so that we can process the debit payment.
- 4.3 You should check your account statement to verify that the amounts debited from your account are correct.
- 4.4 If National Australia Bank Limited (ABN 12 004 044 937) is liable to pay goods and services tax on a supply made by the National Bank in connection with this agreement, you agree to pay the National Bank on demand an amount equal to the consideration payable for the supply multiplied by the prevailing GST rate.

## 5.0 Dispute

- 5.1 If you believe there has been an error in debiting your account, you should notify us directly on **1300 362 415** and confirm with us that notification in writing as soon as possible, so that we can resolve your query quickly.
- 5.2 If we conclude, as a result of our investigations, that your account has been incorrectly debited, we will respond to your query by arranging for your financial institution to adjust your account (including interest and charges) accordingly. We will also notify you in writing of the amount by which your account has been adjusted.

5.3 If we conclude, as a result of our investigations, that your account has not been incorrectly debited, we will respond to your query by providing reasons and any evidence for this finding.

5.4 Any queries you might have about an error made in debiting your account should be directed to us in the first instance, so that we can try to resolve the matter between us and you. If we cannot resolve the matter you can still refer it to your financial institution, which will obtain from you details of the disputed transaction and might lodge a claim on your behalf.

## 6.0 Accounts

6.1 You should check:

- (a) with your financial institution whether direct debiting is available from your account since direct debiting is not available on all accounts offered by financial institutions
- (b) that the account details you have provided to us are correct by checking them against a recent account statement
- (c) with your financial institution before completing the direct debit request if you have any queries about how to complete the direct debit request.

## 7.0 Confidentiality

7.1 We will keep confidential any information (including your account details) in your direct debit request. We will make reasonable efforts to keep information we have about you secure and to ensure that any of our employees or agents who have access to information about you do not make any unauthorised use, modification, reproduction or disclosure of that information.
